Subject: Thank you.

Dear La Plata County Commissioners:

Thank you very much for inviting David Ostrander and me to brief the board of commissioners on the transition of agency activities from the Gold King Mine Incident Command to EPA Region 8. We very much appreciated the opportunity to discuss our ongoing efforts related to the release with you. I will start following up on the requests for information or action that we received during the meeting, and I will send you a list of items that are still pending.

I look forward to meeting with you again soon. In the meantime, please feel free to contact me if I can be of any assistance.

Sincerely,

Cynthia Peterson
